

### REMARKS

This application has been reviewed in light of the Office Action dated March 8, 2005. Claims 1-36 are presented for examination, of which Claims 1, 16-18, and 33, are in independent form. Claims 8 and 25 have been amended purely as to formal matters, and Claims 1, 16-18, and 33 have been amended to define Applicant's invention more clearly. Favorable reconsideration is requested.

The Office Action states that Claims 1-36 are rejected under 35 U.S.C. § 112, second paragraph, as being indefinite. Applicant has carefully reviewed and amended independent Claims 1, 16-18, and 33, as deemed necessary, with special attention to the points raised in section 4 of the Office Action. In particular, the language identified as being indefinite has been deleted from the independent claims. Accordingly, Applicant submits that Claims 1-36 are sufficiently definite and respectfully request withdrawal of the rejections.

Applicant gratefully acknowledges the indication that Claims 1-36 include allowable subject matter and would be allowable if amended to overcome the indefiniteness rejections discussed above. In view of the amendments to the independent claims, Applicant respectfully submits that all the pending claims are in condition for allowance.

Favorable reconsideration and an early passage to issue of this application are respectfully requested.

No petition to extend the time for response to the Office Action is deemed necessary for the present Amendment. If, however, such a petition is required to make this Amendment timely filed, then this paper should be considered such a petition and the

Commissioner is authorized to charge the requisite petition fee to Deposit Account 06-1205.

Applicant's undersigned attorney may be reached in our New York Office by telephone at (212) 218-2100. All correspondence should continue to be directed to our address listed below.
